WHO WE ARE

Associazione Sergio Zavatta Onlus (ASZ Onlus) is a NON-PROFIT organization founded in 2002 with exclusively charitable purposes. Its activities are in the field of social welfare, for people experiencing physical, mental and relational serious disadvantage as well as people with physical disabilities. ASZ Onlus also implements preventive measures, education and training aimed at children and young people, with special attention to children at risk of social exclusion and drug use.

DISABILITY AREA

ASZ Onlus manages **four territorial centers for persons with disabilities**.

The activities managed are: laboratory for handicraft activities and for working simulations; knowledge and mobility, care of themselves through government development programmes and sports activities aimed at knowledge of your body and maintain fitness.

The Associazione Sergio Zavatta Onlus is responsible of a **Centre for psychiatric users**: promotes socialization of people with psychiatric problems in condition of solitude, by preserving and consolidation of an informal meeting space provides opportunities for socialization and integration through recreational activities.

These activities have allowed the encounter with the territory through:

- The design and production of furnishings for a public place in the city. T
- The construction, under the patronage of the municipality of Rimini, of wooden platforms for public places, in order to reduce the barriers for people with disabilities.
- The organisation of terminals in the territory to promote the socialization and the knowledge of the territory (eg. Amusement parks, cinemas, museums ...)

MINOR AND YOUNG PEOPLE AREA

ASZ Onlus manages a **"Amarkord" Community of Prompt Reception**: a ready-host facility for minors in a state of serious social disease. In particular: unaccompanied foreign minors; minors reported by law enforcement agencies following the commission of crimes not attributable by age; minors followed by social services that need an accompanying project.

ASZ Onlus manages two **Youth Aggregation Centers** that promote prevention, promotion, educational and training interventions aimed mainly at disadvantaged adolescents that risk social exclusion and use of drugs.

The meeting with the territory is allowed thanks to:

- close cooperation with the AUSL of Rimini, the Municipality, schools and other associations and cooperatives operating in the area;
- a road educational unit;
- Ciclofficina: an educational bicycle repair workshop, located in the city center, which promotes sustainable mobility, the correct use of the two-wheeled vehicle, the reuse and repair as a good practice, the teaching of the "trade" to young people and try to engage young people in a healthy and ethical activity.
